00:00:00.000 --> 00:00:00.599
character.

2

00:00:01.979 --> 00:00:05.549
Carrington Moore: So much for creating the space versus private
offices to Carol.

3

00:00:06.210 --> 00:00:20.370
Carrington Moore: Today, going to have a intimate good and quick Bible
study today i'm happy to have my dad with us today he's going to bless
us as we're going to be in conversation about what it means to live
on.

4

00:00:21.180 --> 00:00:29.490
Carrington Moore: purpose before we get started let's go ahead and
open up in prayer and your own way, please assume a posture of praying
away, please assume a posture of prayer let's pray.

5

00:00:30.270 --> 00:00:36.780
Carrington Moore: father, mother God, we thank you for your goodness
for your mercy we pray that you will bless us Lord as we travel to the
scripture together.

6

00:00:37.110 --> 00:00:42.900
Carrington Moore: be with us, and all that we do and say this, we pray
in the name of Jesus the Christ our risen savior that everyone say
amen.

7

00:00:43.710 --> 00:00:48.600
Carrington Moore: amen well it's good to see you all today it's good
to see y'all excited to.

8

00:00:49.170 --> 00:00:58.260
Carrington Moore: Have a conversation again about living on purpose,
as you all know about three weeks ago we had Minister le from
Cleveland Ohio talk to us.

9

00:00:58.650 --> 00:01:07.500
Carrington Moore: Regarding this idea or Paul is talking to the Church

of Philip I and Paul says, I beseech you therefore brethren by the mercies of God that you present.

10

00:01:07.800 --> 00:01:17.370

Carrington Moore: That procedures over there for them at the mercy of God that you live a life worthy of the calling that she received in Christ Jesus and here's the thing family.

11

00:01:18.090 --> 00:01:26.760

Carrington Moore: Miss ellie level with a couple of thoughts in order to be able to live life on purpose or to live on purpose, he, let us know a couple things one.

12

00:01:27.390 --> 00:01:35.340

Carrington Moore: That you have to love yourself and know that innately that you are full of love that God loves you and you can't work yourself.

13

00:01:35.910 --> 00:01:44.010

Carrington Moore: into the law of God, you can't work yourself into being valued or being worthy, but you inherently innately you are worthy of god's love.

14

00:01:44.220 --> 00:01:49.410

Carrington Moore: You are deserving of the love the people around you so he said one little life on purpose you.

15

00:01:49.710 --> 00:01:56.160

Carrington Moore: You get to know that you're loved and that you are loved to he, let us know which is really, really important he, let us know that you got to share the gospel.

16

00:01:56.880 --> 00:02:04.770

Carrington Moore: And that's hard that's difficult, we will talk more about that what that means for us at Bethel but he says, you want to live life on purpose right that you want.

17

00:02:05.250 --> 00:02:12.060

Carrington Moore: The power of Christ he multiplied in your life, you have to show the Gospels matter of fact, he said it was nice to get a good amount, he said.

18

00:02:12.480 --> 00:02:14.940

Carrington Moore: When you have something good you've had some good food.

19

00:02:15.720 --> 00:02:23.670

Carrington Moore: and food and so good yeah I mean you might have to blue thing and your friend or your sister your brother friend, you might have a good piece of chicken or a good steak or.

20

00:02:23.850 --> 00:02:33.900

Carrington Moore: A good side, where it might be like it has some some good somebody made some peach cobbler I don't know what it might be, you said you have tried this because it's so good, in the same way with Jesus.

21

00:02:34.290 --> 00:02:46.080

Carrington Moore: Jesus God has been so good to us that literally we are called to share the goodness of God it should flow abundantly from our hearts and from our souls, we should not want to keep.

22

00:02:46.380 --> 00:02:55.590

Carrington Moore: The goodness of God to ourselves, and so, in order to live life on purpose you literally have to share the Gospel you can keep all of this, goodness of God.

23

00:02:56.130 --> 00:03:03.120

Carrington Moore: To yourself, which really important than the last thing, let us share it with us, which is so important, says, you have to live in community.

24

00:03:03.450 --> 00:03:06.690

Carrington Moore: You have to live and Community those things you have to know that you loved.

25

00:03:07.230 --> 00:03:14.820

Carrington Moore: You have to share the Gospel you have to live it created me then I saw some really good for last conversation with some good brothers last week we had.

26

00:03:15.000 --> 00:03:20.640

Carrington Moore: brother Marseilles from Cleveland Ohio we had

brother parents are from Houston Texas, we have brother Wilson Okello from.

27

00:03:20.910 --> 00:03:28.320

Carrington Moore: A woman to North Carolina we have brother Thomas Tony from Chicago Illinois we had a conversation about the importance here it is.

28

00:03:28.830 --> 00:03:39.720

Carrington Moore: living in Community as a matter of fact, living in Community is not something that's suggested in order to live life on purpose, it has to be intentional, it is a prerequisite.

29

00:03:40.050 --> 00:03:45.060

Carrington Moore: In order for you to live a life on purpose you're not called into the lonely spaces of life.

30

00:03:45.330 --> 00:03:58.710

Carrington Moore: But the your call up to the abundance of God and community as a matter of fact, your your salvation is worked out and community as a manufacturer purposes walked it worked out a Community your destiny has worked at a Community you're called to live a life.

31

00:03:59.280 --> 00:04:04.470

Carrington Moore: Within community, so much so that our trinity we believe in the Trinity God, the father.

32

00:04:04.830 --> 00:04:11.220

Carrington Moore: God the son God the Holy Spirit that they enjoy perfect intimacy within their own self and three distinct persons.

33

00:04:11.520 --> 00:04:18.960

Carrington Moore: All in one we see the intimacy of God, reflecting the in the Trinity and we're called to do the same thing it's not affecting genesis.

34

00:04:19.170 --> 00:04:26.670

Carrington Moore: We know the story that that God was pursuing a helpmeet for Adam and God, the father says it's not good.

35

00:04:27.030 --> 00:04:34.530

Carrington Moore: For man or woman to be alone and so God creates a help me so that they can live in Community family, even in the midst of covert 19.

36

00:04:34.860 --> 00:04:51.930

Carrington Moore: we've had a couple lonely three years but nonetheless we're still called to creatively and then last part here yesterday, here it is today, here it is today living a life on purpose here's the other prerequisite you gotta learn how to be satisfied.

37

00:04:53.460 --> 00:05:02.670

Carrington Moore: You know, learn how to be content This takes us to our scripture today and Hebrews chapter 13 and verse four five.

50

00:07:01.740 --> 00:07:07.980

Carrington Moore: My dad told me i'm I think i'm cool so me i'm I think I got a little bit of swag, but there is a way cooler than me.

51

00:07:08.730 --> 00:07:15.750

Carrington Moore: I really love my dad my dad is seriously my hero i'm told wonderful beautiful story is about my father.

52

53

00:07:27.150 --> 00:07:33.360

Carrington Moore: My stepmother and my mother have loved me well, and so my father is great man he's a social worker by trade and a pastor.

54

00:07:33.570 --> 00:07:45.600

Carrington Moore: He studied at youngstown State University, where he got his degree in psychology and social work he did some graduate study at liberty university I believe that's in lynchburg Virginia he's been a pastor I think all of my life, I think.

55

00:07:46.080 --> 00:07:54.420

Carrington Moore: From my earliest memories, I remember my father preaching this, you all know, all my storytelling come to my father, a lot of my demonstrations.

56

00:07:54.630 --> 00:08:02.760

Carrington Moore: actually come from my father, my father is a brilliant teacher and a preacher and a storyteller as a matter of fact, I have taken a lot of my father sermons and revamp them.

57

00:08:03.000 --> 00:08:09.690

Carrington Moore: and made them out and preach them all to you to get great social capital and fanfare, but a lot of that comes from.

58

00:08:10.200 --> 00:08:18.600

Carrington Moore: My father, so my father's favorite to my father's favorite films with, to be honest with you, so I used to fall asleep the church up until the age of seven I can stay away.

59

00:08:19.080 --> 00:08:27.480

Carrington Moore: All the towel stay awake because I would I would be sleeping in church now we're here my father's voice, maybe do these cool demonstrations I would learn to steal.

60

00:08:28.380 --> 00:08:39.900

Carrington Moore: This is not too bad learn to love Jesus listings my father, when I was about nine years old krista a sermon was way above my head no forget it increases wonderful sermons one of our favorite segments, to this day it's all.

61

00:08:40.380 --> 00:08:48.750

Carrington Moore: Summer called sailing or the Titanic that was at mount Zion church of God in Christ wants it, I was back in 1997 there's another sermon back in 99 called.

62

00:08:48.990 --> 00:08:56.100

Carrington Moore: All it is is LSD call it lust Sim in there that's back in the days of Holiness, we were told us like we're used to.

63

00:08:56.370 --> 00:09:03.360

Carrington Moore: But my father said at some phenomenal sermons my favorite song actually revamped it was when my first son was actually did at Bethel.

64

00:09:03.660 --> 00:09:09.420

Carrington Moore: And the sermon is but, if not by grace is sufficient for thee for that strength is made perfect.

65

00:09:09.690 --> 00:09:14.310

Carrington Moore: In weakness, I actually literally did a demonstration I follow preach that sermon back in 2001.

66

00:09:14.580 --> 00:09:20.700

Carrington Moore: I preached that sermon probably about six or seven times and didn't done that demonstrates when it comes, my father, my father is a man.

67

00:09:21.000 --> 00:09:30.960

George Moore: Yes, want to say welcome everyone to sit in the past have a Bebo the past is better We thank God for the opportunity to be with you all this evening is a great honor.

69

00:09:40.650 --> 00:09:50.730

George Moore: I think, often my son and give them also rtmp, and this is quite a switch tonight and, as he was sharing all this up, do you all be offering some offerings for models so much.

70

00:09:53.430 --> 00:09:54.570

Carrington Moore: A couple dollars man.

71

00:09:58.740 --> 00:10:05.010

George Moore: is good to be with you all this evening, though, and just share the word of God, and certainly God is the end of our lives.

72

00:10:05.400 --> 00:10:11.550

George Moore: And it's always a blessing to be among the people, the Lord wherever we may be here, I think, someone maybe from other other states also.

73

00:10:11.880 --> 00:10:24.420

George Moore: Nevertheless, who all went in Jesus Christ in and the love of God, certainly, is something that all of us need in our lives didn't know his grace and his favor and really we will be talking about some things about content and.

74

00:10:25.620 --> 00:10:38.280

George Moore: Post certainly was as he shared with us in that particular book man, that is an amazing life that he lived to be the talk about being content and sort of all the things he went through and.

75

00:10:38.970 --> 00:10:46.380

George Moore: Our aware character, he said, doing an introduction, but i'm thinking just be with them and I appreciate everything you said about me.

76

00:10:47.370 --> 00:10:53.850

George Moore: I will sometimes say is that is he talking about me but uh I certainly feel very humbled tonight and.

77

00:10:54.390 --> 00:11:01.440

George Moore: I think i've heard him and thank God for the super polish up in the pastor and the congregation that he is part of it has been a blessing him.

78

00:11:01.770 --> 00:11:07.770

George Moore: And I can see us growth over over time and and, certainly, I feel the same way, but even when I hear and preaching his

teachers.

79

00:11:08.160 --> 00:11:22.470

George Moore: he's a great young man of God, and I believe that God is readings, a store for me and I, and I believe that he's under great tutelage at Bethel and i'm present with him in the congregation that they will go continue to bless them in a mighty way amen.

80

00:11:22.770 --> 00:11:24.240

Carrington Moore: You ready ready to start freaking there.

81

00:11:26.910 --> 00:11:45.540

Carole Copeland Thomas: Reverend more i'd like to take a picture of both of you, so, if you look at your camera right now and just give a big smile take two shots this is number 1321, and this is number 232 why Thank you so much, God bless.

82

00:11:46.440 --> 00:11:54.150

Carrington Moore: You man Thank you so much let's jump right into it, that first question pastor more it's kind of a personal question for you.

83

00:11:55.140 --> 00:12:07.800

Carrington Moore: i've watched you do some really cool things over your lifetime and i've seen you reinvent yourself to watch a lifetime that seemed like that's grounded really in purpose yeah she's first question how did you stumble across your purpose.

84

00:12:10.020 --> 00:12:22.140

George Moore: Because think about the word purpose, is why we do what we do, I guess that's probably the simplest form of the definition of purpose and I believe that there are many things, I know, there was a book.

85

00:12:24.150 --> 00:12:25.740

George Moore: worn out we've written a book.

86

00:12:26.700 --> 00:12:27.000

Carrington Moore: should have.

87

00:12:27.180 --> 00:12:34.080

George Moore: A purpose driven life, but I think there's sometimes we we make that a complicated word, but I believe that one of the things that.

88

00:12:34.410 --> 00:12:40.650

George Moore: helps us find our purposes is our in Sydney our environment, but things that we have people that have molded us in shape us.

89

00:12:41.280 --> 00:12:49.920

George Moore: A lot of things that now in ministry That was all God, but the thing about it, I love my foundation and seeing what I decided to do an ending up this way.

90

00:12:50.280 --> 00:12:59.040

George Moore: was because of my parenting and suddenly the instructions of righteousness and send them the wisdom that they share, you know my family members, my dad was certainly was a.

91

00:12:59.610 --> 00:13:09.930

George Moore: man from Alabama very, very more man man that's always thought he was a hard hard on me, but it was a morning that he was doing because he wanted to be to certainly to be.

92

00:13:10.350 --> 00:13:17.370

George Moore: Having take ready and to be Honorable and one but also you see women in the church he served in a large nomination for many years.

93

00:13:17.820 --> 00:13:24.510

George Moore: And so they raised me in church and those things that they love, a lot of the plant a lot of seeds in my life.

94

00:13:25.080 --> 00:13:32.940

George Moore: And I remember, they used to have ministers come and stay with us without various missionaries ministers couple of the House to stay in sometimes spend time during revivals.

95

00:13:33.510 --> 00:13:41.010

George Moore: I want this one to older gentleman was younger play my early teens and he said, you want to be a preacher and I looked at him and like no.

96

00:13:42.660 --> 00:13:45.030

George Moore: One is it because people are too much trouble.

97

00:13:46.200 --> 00:13:46.440

George Moore: Like.

98

00:13:48.630 --> 00:13:58.590

George Moore: preaching of the last thing I want to do, but not realizing that many times i'll leave in god's destiny for us, then he always causes other words he I believe that purpose that purpose.

99

00:13:59.040 --> 00:14:06.360

George Moore: spiritual purpose in what God has for us many times, not by chance, but I believe that God made sounds leaves us in a direction that is molding us all the time.

100

00:14:06.750 --> 00:14:15.330

George Moore: But he's always he's shaping us and many times, the events of life, the things that we're going to mean times are shaping us to be that person that God wants us to be.

101

00:14:15.720 --> 00:14:22.560

George Moore: And I realized my teacher my parents and the environment that they raised me in and then going on to realize the call of God upon my life.

102

00:14:23.040 --> 00:14:28.500

George Moore: That everything fell into place of things that I thought I did want to do, and there was no way I was going to do it.

103

00:14:28.830 --> 00:14:35.490

George Moore: I had already been shaping forward and God had placed in a situation where it was just all I had to do was accepted call upon my life.

104

00:14:36.030 --> 00:14:43.980

George Moore: And I was ready for it and it just looked at the cause of Paul, even when you look at his life, he didn't realize on that domestos roadway was going in his intent.

105

00:14:44.430 --> 00:14:49.860

George Moore: But he had been prepared as fearless in that he'd been prepared, certainly as a man of religious.

106

00:14:50.610 --> 00:15:01.530

George Moore: A stature that when, God called police a call upon his life and certainly transformed his life, he was already beginning, he was already being prepared for the purpose of what Jesus was going to finish the call to.

107

00:15:01.980 --> 00:15:07.830

George Moore: Somebody that purpose is not you know, like a mistake or chance, but I believe that God prepares us, whether we are.

108

00:15:08.310 --> 00:15:17.310

George Moore: Sometimes, will be feasible far out in the world, and they think like the law we never use them, but God always has a way that he takes the best experiences, I believe, of life.

109

00:15:17.790 --> 00:15:26.250

George Moore: That he has already preparing us sometimes to the pros that he's certainly down through return, the US has prepared us for it to be a blessing to his ministry into other people.

110

00:15:28.920 --> 00:15:29.970

Carrington Moore: that's a good start man.

111

00:15:30.060 --> 00:15:36.240

Carrington Moore: yeah okay yeah they could do this as good as this let's keep going, you know it's funny You said something he talked a lot about.

112

00:15:36.660 --> 00:15:40.050

Carrington Moore: Your parents my grandparents in terms of the mold issue and kind of shaped you.

113

00:15:40.440 --> 00:15:45.090

Carrington Moore: And so that they were able to lay that foundation, I think a lot of people sometimes don't always have that.

114

00:15:45.390 --> 00:15:51.540

Carrington Moore: We live in a generation that actually really isn't really church as much as I think the previous generation has and so.

115

00:15:51.810 --> 00:16:02.850

Carrington Moore: One of the Church in some ways, is sometimes struggles to share relevant message of what purpose is to them and then the other thing people, we often say we are products of our environments.

116

00:16:03.390 --> 00:16:10.500

Carrington Moore: But I heard a preacher one time say we're proud of our Members but we're not prisoners of our environment So how do you, you talk to us a little bit about.

117

00:16:11.130 --> 00:16:26.130

Carrington Moore: How do you talk about purpose for someone who's struggling right to understand what their purposes or even someone was kind of new to the faith, how do you kind of talk about purpose to someone who is kind of new in the journey and try and struggling to find out what that is.

118

00:16:27.060 --> 00:16:29.400

George Moore: A to you, rather, Minister.

119

00:16:30.810 --> 00:16:34.050

George Moore: I found that it is i've experienced life and assuming preaching.

120

00:16:35.370 --> 00:16:44.910

George Moore: Now this is personally I believe in ministry that as i've as you see i've reinvented myself and sometimes we we have a tendency that we we hit people with God and.

121

00:16:45.360 --> 00:16:50.610

George Moore: In theology, we are quickly, but I found that is very important to meet people where they are.

122

00:16:51.120 --> 00:16:58.590

George Moore: And you know in preaching and teaching also when people come to us and we will return ourselves going to them is very important to.

123

00:16:59.580 --> 00:17:10.980

George Moore: I believe, to bring the word to them in a manner that they can understand, also in relation to life, I think relationship to people in the Gospel can be both married together.

124

00:17:12.450 --> 00:17:18.330

George Moore: Sometimes I have known people that have come out the street, they knew nothing about me some they knew anything about the Lord.

125

00:17:18.870 --> 00:17:28.620

George Moore: But it's not so much going into theology, but many times sharing that that relationship as far as a meeting the needs, I find that's important and sometimes just sharing the.

126

00:17:29.850 --> 00:17:41.640

George Moore: What God can do through our lives as a person experience, and I think sometimes we mistake geology and separate from a personal life because the person who sees Christ through us.

127

00:17:43.050 --> 00:17:52.500

George Moore: versus East region relationship and love of Christ through us and sometimes we try to preach the Gospel but sometimes we're not sharing us with the gospel.

128

00:17:53.100 --> 00:18:03.870

George Moore: And there's one thing I feel a bit simplifying and cheering with young people, particularly because there are a lot of young people that don't know anything about the church or the God of our fathers and I think that's.

129

00:18:04.950 --> 00:18:12.450

George Moore: We have a sentence to go toward the people in just you know we talked about what policy and we talked about what Peter said and it's like well who's Peter.

130

00:18:13.500 --> 00:18:15.180

George Moore: Paul you know, then that.

131

00:18:16.410 --> 00:18:22.200

George Moore: Then that necessarily for me with those terminal to terminal eyes, we use the church and we hit me with a lot of a word.

132

00:18:22.710 --> 00:18:34.890

George Moore: But the thing about it is, we need to hit them with us and gravitate toward them in our compassion toward them and a lot of times in witnessing I do a lot of I found i'll talk a lot about food.

133

00:18:35.370 --> 00:18:44.160

George Moore: which you mentioned earlier, but I find that many times there were so many times we miss Christ they was doing a lot of fellowship during mealtime.

134

00:18:44.760 --> 00:18:54.120

George Moore: He was doing a lot of mentoring during your time he was sitting with the sinners in various communities can understand that they felt like he was citizen you fellowship with the public as but.

135

00:18:54.780 --> 00:18:59.880

George Moore: He was building relationship and to his love for them, and through his compassion for the people.

136

00:19:00.330 --> 00:19:06.930

George Moore: Really, we became their friend and that many times allowed him to go into doors you don't find that he was always trying to.

137

00:19:07.800 --> 00:19:14.850

George Moore: change them through just do the Gospel but he had a relationship and he fed them anyway sit down their homes and just have fellowship.

138

00:19:15.360 --> 00:19:22.530

George Moore: And that that is something that we have a tendency to miss in relation to people is the simplifying things of just having a meal.

139

00:19:22.890 --> 00:19:28.890

George Moore: And there's so many people so many things i've learned for many people just sometimes sitting in sharing a meal breaking bread.

140

00:19:29.310 --> 00:19:33.960

George Moore: That you learn a lot of people open up over a meal it's not so much the eating fat aspect of it.

141

00:19:34.410 --> 00:19:46.860

George Moore: But sometimes we take simple claims that Jesus Christ used to witness and to bring me to him, because he was his love of conversation is a love of taking simple things and using it to relate to the people around him.

142

00:19:47.790 --> 00:19:54.600

Carrington Moore: yeah that's good you know, one of the things I was reading the other day about a pass and more about.

143

00:19:55.200 --> 00:20:05.550

Carrington Moore: How people we retain people in church and oftentimes we think about when to build these elaborate beautiful attractive ministries, we have phenomenal praise and worship teams.

144

00:20:06.180 --> 00:20:14.670

Carrington Moore: Big jumble trials, I, like all they don't get me wrong, I want to definitely get a 50 inch screen, we can i'm not even be front, I want us to have the best sound and worship.

145

00:20:15.360 --> 00:20:21.270

Carrington Moore: Not in the Boston but in the country right I want all those things, but one of the things i'm learning is that.

146

00:20:21.600 --> 00:20:30.060

Carrington Moore: People will come to church for the attractive parts of ministry, but to your point what keeps them in church what brings purpose and transformation it's actually relationship.

147

00:20:30.390 --> 00:20:34.380

Carrington Moore: Well, I think you're right like the way Jesus at what a powerful things Jesus says.

148

00:20:34.770 --> 00:20:47.040

Carrington Moore: Is that a long career servants, because a servant does not know what his master's going to do, because Jesus shared everything with them over time, it says, are now calling friends, and

so I think that's that's part of I think purpose.

149

00:20:47.880 --> 00:20:58.230

Carrington Moore: It aligns itself as we build friendships with others, I want to go to the scripture passage my return for us over time we went forgot it so i'll read, one more time says keep your lives.

150

00:20:58.740 --> 00:21:04.770

Carrington Moore: Hebrews Chapter three verse five says keep us free from the love of money and be content with what you.

151

00:21:06.930 --> 00:21:16.830

Carrington Moore: Keep your last free from the love of money and be content with what you have you know, this is, I think about content, and I feel like a tip is a bad word like a.

152

00:21:18.180 --> 00:21:22.530

Carrington Moore: Like it's a it's something that, like in our own culture is just like.

153

00:21:22.920 --> 00:21:27.990

Carrington Moore: I said we're always wanting more always need the next promotion, we always need more money and other degree and i'm not.

154

00:21:28.290 --> 00:21:38.610

Carrington Moore: don't get me wrong again more money more power or influence Those are all good things black folks particularly should seek after those things, but it feels like in our faith journey.

155

00:21:39.150 --> 00:21:47.730

Carrington Moore: It feels like an hour in our lives, we need lack contentment in ourselves, we like we lack of tipping in our personality and life.

156

00:21:48.240 --> 00:22:02.070

Carrington Moore: will actually sometimes lack contentment and our relationships, what do you think Paul is trying to what is Paul trying to say to us, what is the deep message that you think Paul is trying to convey the Book of Hebrews as it relates to being content.

157

00:22:03.990 --> 00:22:13.470

George Moore: Is I wanna I don't wanna be cavalier see like well you know the content of what he was saying means what it says, but to not to oversimplify it.

158

00:22:13.890 --> 00:22:20.010

George Moore: But the amazing part with Paul was there, I think, on one occasion, he said i've learned how to be exalted i've learned how to be a beast.

159

00:22:20.490 --> 00:22:26.940

George Moore: But the fact is, is that the lifestyle that Paul had he should really do the hours of what he was talking about.

160

00:22:27.420 --> 00:22:35.130

George Moore: Because of all the things that he went through he was shipwrecked he was stoned by and try to be killed by the Romans and the Jewish people.

161

00:22:35.730 --> 00:22:43.020

George Moore: me was the person that he had been snake bitten and it seemed like everything and then you find some of letters that he literally wrote, he was in prison.

162

00:22:43.590 --> 00:22:50.040

George Moore: And being that I used to work as a correctional officer to you would think that being a jailhouse being in a for.

163

00:22:51.000 --> 00:22:57.510

George Moore: small room and locked up and chained up that he would be talking about being content, but he learned it wasn't a circumstance.

164

00:22:57.990 --> 00:23:10.410

George Moore: But he learned that the content with his heart was and what God had for him that he realized that whatever he went through God was working and also, I find that many towns can cut content can be an elusive.

165

00:23:11.730 --> 00:23:17.190

George Moore: matter for us is because we're not satisfied with what we have, we have a tendency to.

166

00:23:18.360 --> 00:23:25.440

George Moore: We will we were efforts many times versus say our reward it would be good to compare ourselves and to with.

167

00:23:25.830 --> 00:23:33.330

George Moore: Would favor my son is versus mine well Carrington is you know remember more he's able to do this now don't have what he has you know he's.

168

00:23:33.750 --> 00:23:40.170

George Moore: A large congregation that i'm not you know we can't look at what God has done for us, because if I began to read, we begin to compare.

169

00:23:40.500 --> 00:23:45.180

George Moore: Our life compared to someone else that's where our discontent as soon as they come in.

170

00:23:45.690 --> 00:23:51.870

George Moore: And as people who got I believe that is something that report was saying that because, as I look the screen says keep your last week for the love of money.

171

00:23:52.350 --> 00:23:59.850

George Moore: is not money as it is, he was referring to the love of it and many times we forget that money is a tool, but he was saying that whatever you have.

172

00:24:00.120 --> 00:24:08.760

George Moore: Is uploading the content i've learned hey sometimes about needs i've been supplying i'm doing well, sometimes I find that you know I mean you know I need the help of the other people.

173

00:24:09.090 --> 00:24:16.680

George Moore: But you've learned that whatever it is guys, we will provide guys certainly will make away, but he never looked at what Peter was doing.

174

00:24:17.070 --> 00:24:23.070

George Moore: He never looked at say what Matthew when you know when

you got it, you have to get one occasion to get into an argument I think was a.

175

00:24:23.640 --> 00:24:30.480

George Moore: I got it one thing you get into our discussion or disagree with Peter, and you can share something with him, but he what he knew we needed to do.

176

00:24:30.960 --> 00:24:35.580

George Moore: And when him and Paul and barnabas of silence, there was a situation that barnabas went to go one way or another.

177

00:24:36.120 --> 00:24:46.650

George Moore: But he learned I got another partner who was silenced and but he surrounded himself with good people, but in there were situations that you find in some level but God always made away from it.

178

00:24:47.160 --> 00:24:57.960

George Moore: And I think that our faith is not built built upon and based upon what we look at in others, God has a way and certainly has a purpose for our last he has a weird he's going to make a.

179

00:24:57.960 --> 00:24:58.410

Carrington Moore: week but.

180

00:24:58.620 --> 00:25:11.070

George Moore: But it is, we have to believe in trust God that's the first part it's faith and then the other part, is not watching and looking at with someone else's obtained the favor of God upon someone else's life and realize that God has a favor on a purpose and certainly an admission for us.

181

00:25:13.980 --> 00:25:26.340

Carrington Moore: You know this is a real edge that I heard you preach a sermon around this idea of, we are not content so we're not satisfied, because we have been taught to cover what other people have.

182

00:25:27.720 --> 00:25:42.600

Carrington Moore: And I think that's a data point that you're making I think is I think it's really, really, really big I think sometimes

like you know, sometimes you can get a new car and evolving living and loving your new car, you see, such as getting a better deal record well what that went too.

183

00:25:44.130 --> 00:25:54.180

Carrington Moore: far I have not too long ago, obviously I got this job I was so excited and then manager for coming months, I want another job I think God help me out he goes like no.

184

00:25:57.030 --> 00:26:05.130

Carrington Moore: joy, this one let's take this one for at least another year to like sometimes we're always on the move, always wanting more.

185

00:26:05.730 --> 00:26:19.170

Carrington Moore: Can you talk a little about what what happens, what are the detriments to our souls into our purpose or not content and when we choose to covet what others have, as opposed to being content with what we have you talked with her about that.

186

00:26:19.950 --> 00:26:31.050

George Moore: But it's funny to me because the typical man with is something that we have a tendency to kind of look over we you know we kind of focus on the new the earlier ones, but you know number 10 is way down this.

187

00:26:32.430 --> 00:26:35.250

George Moore: You know, we were hitting say like thou shall not covet but.

188

00:26:35.550 --> 00:26:46.830

George Moore: It really is one that the details about how we feel to others, and how we look at others and brings out the green, but sometimes it brings out things of jealousy and envy.

189

00:26:47.220 --> 00:26:54.270

George Moore: That we desire to obtain things that's you know, not because we, we have a tendency in our society have to be careful.

190

00:26:54.720 --> 00:27:00.900

George Moore: That we don't feel like I deserve something or I, you know that somehow but you know God owes us something.

191

00:27:01.290 --> 00:27:14.130

George Moore: And I think the society itself if we're not careful that we feel that we are achieving and having things you know it's, just like in Britain so in order to get ahead to be aggressive but assertive have more and we want more.

192

00:27:14.850 --> 00:27:21.690

George Moore: And, as it goes back to that word the Paul was saying about learning louie saying that the love of money and be content with what you have.

193

00:27:22.350 --> 00:27:33.930

George Moore: We are not necessarily taught that because society itself usually pushes us to go for more you know have more you want to be more innocent human aspects of our marriages.

194

00:27:35.490 --> 00:27:44.520

George Moore: us into the church and there's just two of us on a job that we can have a good spot, but you know we look at the next part will wonder like i'm smarter than that person that should be me.

195

00:27:44.910 --> 00:27:48.870

George Moore: Not realizing that haven't maximized yourself in the position that you have.

196

00:27:49.440 --> 00:27:58.860

George Moore: Have you rather than looking at God and feeling like He owes you something rather than are you living up to the of the call of God upon your life and are you doing the will of God, at this point.

197

00:27:59.250 --> 00:28:05.820

George Moore: Are you maximizing yourself in and know that you in his world and that are that you're walking according to his word.

198

00:28:06.270 --> 00:28:09.240

George Moore: And those are things we sometimes for sake but will begin to cover it.

199

00:28:09.720 --> 00:28:16.560

George Moore: Because we we may have a tendency to measure ourselves

are we examine ourselves to compare ourselves to someone else's life and what they have.

200

00:28:16.920 --> 00:28:25.980

George Moore: rather than looking at ourselves and focusing saying to ourselves make me and humbly Lord, am I pleasing you and then my walking according to your word, because when you do.

201

00:28:27.060 --> 00:28:35.610

George Moore: That nature capriciousness will overtake your overcome, but I think there's I believe that that particular commandment.

202

00:28:36.180 --> 00:28:44.730

George Moore: comes with spiritual maturity, because I know we've all been good, I have to say that you know, there have been times I will look and feel like because somebody else has this one, why don't I have it.

203

00:28:45.090 --> 00:28:57.480

George Moore: will feel like you know i've sacrificed this and I worked hard and I should have that, but that is something that Paul realized in the circumstance, the way worse that i've learned that whatever it is i'm going to be.

204

00:28:58.170 --> 00:29:03.330

George Moore: i'm going to be satisfied i'm going to lose i'm like it doesn't mean i'm going to try to achieve more in my spiritual walk.

205

00:29:03.690 --> 00:29:11.790

George Moore: yeah that would be i'm going to walk humbly and know that God is with that customer are really Our goal should always be to please God.

206

00:29:13.170 --> 00:29:15.150

George Moore: You should always be our goal is to please God.

207

00:29:16.860 --> 00:29:24.840

Carrington Moore: that's good, well, we will we will we will back it up a little bit just me talking about sometimes we don't have contentment or not satisfied.

208

00:29:26.340 --> 00:29:34.860

Carrington Moore: In our homes and our marriages in our relationships, I want to pause for the cause just for a minute and.

209

00:29:35.580 --> 00:29:39.300

Carrington Moore: We will, I will we're going to get into a couple things real quick one.

210

00:29:40.410 --> 00:29:48.570

Carrington Moore: And I was a I was asked this question I want you all to to answer the question in the chat what keeps your soul satisfying so.

211

00:29:49.050 --> 00:29:55.140

Carrington Moore: i'm looking at this is john nails to Joyce the Murray brother Albert a brother emit.

212

00:29:55.710 --> 00:30:03.420

Carrington Moore: Both ashley's on the call you're doing somebody answered the question we got it we got to get at the heart of this what keeps your soul satisfied.

213

00:30:04.200 --> 00:30:17.070

Carrington Moore: I was talking to God today but Bible study and I was a I was trying to answer this question myself, and I was beginning to think about what happens when your soul isn't satisfied.

214

00:30:18.000 --> 00:30:29.880

Carrington Moore: And how that manifested so I started thinking about like you know what happens we're not satisfied in our relationships and marriages and homes and our churches.

215

00:30:31.380 --> 00:30:37.800

Carrington Moore: And I will ask you this, this is kind of a kind of a personal question but i'm trying to do dad I want you to give us some game.

216

00:30:39.450 --> 00:30:47.520

Carrington Moore: Because, because sometimes you're not satisfied, particularly in our relationships and our homes and our marriages with our children.

217

00:30:47.880 --> 00:30:58.170

Carrington Moore: Not because here, it is not because our spouses, our children, our friends are doing anything wrong because there, they are not what we want them to be all the time.

218

00:30:59.370 --> 00:31:03.780

Carrington Moore: So i'm a slow down real quick i'll get a lot of game only when you're in.

219

00:31:04.590 --> 00:31:05.220

Carrington Moore: Here, like.

220

00:31:05.640 --> 00:31:09.210

Carrington Moore: 13 days that I don't get a lot of game to give i'm still learning.

221

00:31:09.270 --> 00:31:09.420

It.

222

00:31:10.770 --> 00:31:22.560

Carrington Moore: But what i've noticed is that when you place the expectation on someone else right they're not in a bad expectation, but that's not something that they want to live into.

223

00:31:23.310 --> 00:31:29.490

Carrington Moore: It creates a space where you're not content you're dissatisfied, you talked a little bit about you know you've been married.

224

00:31:30.180 --> 00:31:44.460

Carrington Moore: For I think for 20 years at this point to sheila my wonderful stepmother you talk a little bit about like how you've been able to find contentment in your relationships and contentment and sense of satisfaction in your own life, you talk a little about that.

225

00:31:46.620 --> 00:31:47.490

George Moore: Okay.

226

00:31:48.570 --> 00:31:48.780

Carrington Moore: Thank you.

227

00:31:49.980 --> 00:31:58.260

George Moore: i'll go back to well i'm going to go back to that, I guess, I see what earlier about the theory of efforts efforts versus reward and relationships.

228

00:31:59.010 --> 00:32:01.440

George Moore: Sometimes husbands and wives can look at one another.

229

00:32:01.890 --> 00:32:12.060

George Moore: And when one begins to feel that they're doing more in the marriage and begin to compare like well I you know I work hard, all day and I do this and you know I bring this to tape you know, sometimes we may not say it.

230

00:32:12.660 --> 00:32:16.470

George Moore: But sometimes there are things that we may feel myself that i'm putting more in and.

231

00:32:17.010 --> 00:32:25.200

George Moore: That has a tendency to cause friction in in sometimes why it's going to feel that way you know, like i'm you know i'm doing this and then you know i'm having to.

232

00:32:26.040 --> 00:32:35.910

George Moore: From the bedroom to the kitchen whatever all out to do, and sometimes you'll feel like know the husband and i'm going to appreciate it, I do this for him and I do that for him and.

233

00:32:37.200 --> 00:32:46.830

George Moore: You start comparing your efforts versus your reward you know, and when those things begin to happen, you find that's where the things about competences or.

234

00:32:47.160 --> 00:32:56.550

George Moore: discontent comes in, because you feel like i'm putting more into it and you start thinking like i'm making all the sacrifices i'm doing all this husband sometimes do it, I work all day I work hard.

235

00:32:56.940 --> 00:33:05.700

George Moore: You know i'm bringing money and i'm I was probably the biggest Bob fam to the family and you know she doesn't you know she should be there with you know the rubber back and she.

236

00:33:06.030 --> 00:33:11.940

George Moore: Do this and I should get a meal when I get all used to begin to look at what i'm putting in versus what i'm getting out.

237

00:33:12.420 --> 00:33:24.060

George Moore: And when we began to take scores in our relationship Those are the things that you find that that's what many times frustration and that's where vetoes friction comes in and disagreement, you know because.

238

00:33:24.990 --> 00:33:33.600

George Moore: anytime that happens workers doing labor's Liberals on the job oh there's a lot of times when you use expression i'll be talking about the Sunday we look at we look.

239

00:33:34.410 --> 00:33:43.170

George Moore: we're getting a job, those are we paying you do this, we were looking at efforts versus reward and when are we going to do that.

240

00:33:43.620 --> 00:33:52.710

George Moore: Because i've been put into the job i'm not getting what I want you know I work i'm working 10 hours a day, I haven't got a raise, I feel that I deserve you started looking at and.

241

00:33:53.370 --> 00:34:00.390

George Moore: companies spend large sums of money, trying to keep people meantime motivated, how do they keep you as far as being satisfied with your job.

242

00:34:00.660 --> 00:34:11.850

George Moore: same thing a relationship when we began to we our efforts personally worsening relationship you'll find that one begins to accuse the other when you don't love me then you don't do this for me the other person feels like we don't do this for me.

243

00:34:12.360 --> 00:34:15.870

George Moore: And that's when our discontent comes in, rather than

looking at the relationship.

244

00:34:16.080 --> 00:34:20.730

George Moore: As to what i'm bringing i'm doing it out of love, not because of what i'm going to get.

245

00:34:21.150 --> 00:34:29.400

George Moore: But i'm motivated by because my love for you, and when both i'm looking at it, as to how can I please you, and how can I, you know satisfy your needs so how can I show you.

246

00:34:30.270 --> 00:34:46.560

George Moore: That you lose you're seeking ways to please the person that's the godly character, because the thing about it is, I can take this with Lord, how can I felicia and the Lord certainly has done great things and we appreciate and you really look at the things God has already done and honestly.

247

00:34:48.330 --> 00:34:59.550

George Moore: For the character my son, my friend, I tell you what keeps me humble and and only my release with us is the more is our last house, because he is.

248

00:34:59.970 --> 00:35:15.840

George Moore: And then i'll look for ways that, how can I keep her happy rather than focusing on like what am I getting versus her, and I think over time that we learn to do wonderful things for each other that we're not so much keeping score as it is our efforts.

249

00:35:16.980 --> 00:35:25.500

George Moore: really begin to match our rewards and what I put in that i'm getting out of it and same thing with God sometimes we're looking for something that we have put in.

250

00:35:25.920 --> 00:35:33.420

George Moore: But our expectation is to obtain more from him and we're looking for blessings and the Lord is nothing but he's keeping score on this, but sometimes we.

251

00:35:33.720 --> 00:35:41.520

George Moore: We were looking at situation will refresh ourselves because we're looking more out of what we're actually putting in to

the lord's will and to his work.

252

00:35:43.050 --> 00:35:48.330

Carrington Moore: If there's this is good, I hope, y'all y'all picking up the game that pastor Morris putting down.

253

00:35:48.720 --> 00:35:53.640

Carrington Moore: is giving your game families, give me some game, so a couple things I want to highlight, which is really important.

254

00:35:53.880 --> 00:36:03.960

Carrington Moore: Sometimes in our relationships, this is where we were just we we feel a sense of dissatisfaction, or we have discontent so we're looking for the outcome.

255

00:36:04.380 --> 00:36:10.290

Carrington Moore: And I always focused on the input right we're focused on the output we're going to get from it we're not always focused on.

256

00:36:10.530 --> 00:36:15.210

Carrington Moore: What we're willing to give for each other there's room for for relationships, even for our own life.

257

00:36:15.540 --> 00:36:28.380

Carrington Moore: The other thing I want to, I want to back up a little bit about like purpose and being satisfied, sometimes I kind of got this from you you're talking as sometimes our own life, we feel that we need another elevated position for God to use us.

258

00:36:29.280 --> 00:36:34.050

Carrington Moore: Okay yeah and I, this is, you said, like is do I got it for you, you, you said it.

259

00:36:34.320 --> 00:36:37.770

Carrington Moore: And that's what this I wrote it down in my mind, I want to like share it.

260

00:36:38.340 --> 00:36:45.780

Carrington Moore: That sometimes we're always seeking the next opportunity, the next job, the next relationship, because we feel

like, if I can just get to the next part.

261

00:36:46.230 --> 00:36:53.880

Carrington Moore: The next space, then God can use me as opposed to knowing believing and understanding that right here in this moment, no matter what you're doing.

262

00:36:54.360 --> 00:37:03.240

Carrington Moore: No matter your socioeconomic status, no matter the relationship status that god's able to use you like eating right here, right now, I want to go to the chat real quick real quick.

263

00:37:04.710 --> 00:37:09.780

Carrington Moore: Some people, they are not going in so let me Let me read Cooper thanks janell says.

264

00:37:10.530 --> 00:37:19.470

Carrington Moore: Love fellowship with the saints feeding on the word of that 91 Sunday morning worship in person in zoom that that mixture satisfied, it gives her joy.

265

00:37:20.160 --> 00:37:34.590

Carrington Moore: brother, a bit is going in good to see, but the blessings on eric's my family and my friends of the loving Bethel family is not 4020 years for me and my spouse, the summer, congratulations to brother to brother emit.

266

00:37:35.610 --> 00:37:42.240

Carrington Moore: Instead of Libya sets of data becomes easy to slip into the worldly view of coveting with someone else has a listening to what.

267

00:37:42.660 --> 00:37:54.960

Carrington Moore: Our society says about what is good success or happiness, I have to remind myself that what God has for me it's a good word this for me and what God has given me is good, it will only give me what.

268

00:37:55.350 --> 00:38:03.510

Carrington Moore: is good for capital for yourself, this is a good knowledge that you all are giving out to us as we're talking about being satisfied.

269

00:38:04.620 --> 00:38:14.490

Carrington Moore: Let me ask this question pastor more and we got about about 13 minutes left and then we're going to open it up for questions we might open it up for questions, a little bit more I think about Paul.

270

00:38:15.450 --> 00:38:23.250

Carrington Moore: You know, Paul is really an interesting brother because Paul talks about being content and then paulie talks a little bit about like.

271

00:38:24.810 --> 00:38:39.390

Carrington Moore: Holding a struggles or her holding burdens are holding things is trying to overcome and what the proto tease out earlier about when we're not satisfied with our own souls I think sometimes when I set.

272

00:38:40.050 --> 00:38:47.490

Carrington Moore: backup sometimes i've found out that we're not satisfied with our spirit we kind of acted out in our flesh so more time.

273

00:38:48.300 --> 00:38:58.200

Carrington Moore: Sometimes we're not satisfied in our spirit I manifest itself we acted out with our flesh and i'm not sure to be too deep with you all, but sometimes.

274

00:38:58.950 --> 00:39:07.200

Carrington Moore: Sometimes we have a deeper kind of creature craving for for for particular proclivities when our soul.

275

00:39:07.680 --> 00:39:21.120

Carrington Moore: is not satisfied, I will say that one more time, sometimes we have particular creature cravings or we tend to gravitate towards certain proclivities on our soul is not satisfied, what I learned.

276

00:39:21.840 --> 00:39:31.740

Carrington Moore: In my short years of life is there sometimes the road to complete this point, or sometimes teach us there are certain ways to become satisfied.

277

00:39:32.250 --> 00:39:50.160

Carrington Moore: And we seek after that pair We often find that we still aren't satisfied, and so I want to go to this last question pastor more that will open up for questions or thoughts or comments what advice would you give to folks on this call.

278

00:39:51.480 --> 00:40:07.320

Carrington Moore: No matter what the walk is what advice would you give them about some some basic things they can do to kind of stay content and their life and we're not talking about content i'm not saying again we're not Disconnecting content from ambition, so one more time.

279

00:40:07.710 --> 00:40:11.070

Carrington Moore: Right we're not just connecting content from ambition layout.

280

00:40:12.300 --> 00:40:17.640

Carrington Moore: Great folks on the call which are to make a whole lot of money, and once you get to check your dad's.

281

00:40:18.030 --> 00:40:25.770

Carrington Moore: amen praise God that's a good joke family, I can laugh at that pay your taxes that's not being very serious we want you all to have beautiful homes and.

282

00:40:26.220 --> 00:40:41.520

Carrington Moore: Beautiful fam was a senior children, to the best schools we're not separating ambition from content, but we are saying that we should be satisfied what God has given us what are some things that we can practice in our life to be content like policy.

283

00:40:44.580 --> 00:40:45.870

George Moore: Is this for the chat room for me.

284

00:40:46.290 --> 00:40:49.800

Carrington Moore: This is this is for you this is pretty good yeah yeah.

285

00:40:51.030 --> 00:40:51.750

George Moore: To be honest.

286

00:40:53.850 --> 00:41:02.550

George Moore: brother, Minister, I have to say that that is something that will come upon totally to me the one time on occasion signal and grace and and live our Lord Jesus Christ.

287

00:41:02.940 --> 00:41:10.140

George Moore: Some things I believe come through spiritual growth it's because of our experience with the Lord the blessing, and sometimes through.

288

00:41:11.250 --> 00:41:23.610

George Moore: The call of God, as far as many times the Lord allows us to go through droughts in life and then sometimes he allows to go to great blessing interesting do I was going to read a verse of scripture from the Book of Philippines chapter for.

289

00:41:24.090 --> 00:41:26.070

George Moore: What he was talking to a church that certainly.

290

00:41:26.850 --> 00:41:35.370

George Moore: Paul seemed like he had no rebukes for this particular church it wasn't working church it wasn't the Church, there was no for no great work and remember ship.

291

00:41:35.790 --> 00:41:45.690

George Moore: But it was a church that was very humble they were, and they were willing to give of themselves or their substance to help others and Paul certainly said some things to them were very he was very.

292

00:41:46.890 --> 00:41:53.700

George Moore: encouraging words, whereas they were very loving and very know reviewed, no other ways you guys need to shape up you don't need to get this out of the Church, but.

293

00:41:54.270 --> 00:42:07.710

George Moore: He had great words to say to encourage them in life and in their walk with Christ we sit in flipping Chapter four verse 11 through 13 said, not that I speak with regard to need but i'm learning whatever State, I am to be content.

294

00:42:08.190 --> 00:42:10.200

George Moore: I know how to be a based I know how to be.

295

00:42:10.530 --> 00:42:24.810

George Moore: About I everywhere in all things I have learned and the keywords learned that's why I say me things go back to spiritual maturity because there's a frustration that we have that we learn to walk with Christ, and through our experience, we have to learn how to.

296

00:42:26.100 --> 00:42:29.400

George Moore: We have to learn to be blessed sometimes we look for blessing, but we all know how to.

297

00:42:29.850 --> 00:42:37.020

George Moore: lowest bid on how to receive it we don't know how to act with we you know we get you know we get cuckoo for cocoa puffs because you know the Lord doesn't think that life.

298

00:42:37.770 --> 00:42:42.420

George Moore: But sometimes there's a learning experience that we have to learn that learn as you mentioned, paying your taxes.

299

00:42:42.780 --> 00:42:52.260

George Moore: So does people want the blessing, but they don't want to give to the giving part they don't want they want to be blessed but they don't have to bless the church or less many times, others in ministry or blessed order in me.

300

00:42:52.770 --> 00:42:58.290

George Moore: And also, when we learn how to sometimes be a big sometimes things go bad not like they go sideways.

301

00:42:58.590 --> 00:43:08.280

George Moore: And we we became we complain and we learned, we learned, we learned to be resentful and we become better so posted to the experience the head, he said I learned.

302

00:43:08.970 --> 00:43:17.760

George Moore: How to be exalted Alan how to be a base everywhere in all things i've learned both i've learned both to be full and to be

hungry that's a learning experience.

303

00:43:18.420 --> 00:43:19.620

George Moore: Some of us have been holding it.

304

00:43:19.650 --> 00:43:33.630

George Moore: Some of us have been having about it so sometimes everything we go through, I believe in our Christian experience is designed as a learning process that we learn how to go through in lifetimes tests, I believe, are repetitive until we learn.

305

00:43:34.110 --> 00:43:35.190

George Moore: How to get through them.

306

00:43:35.430 --> 00:43:46.860

George Moore: And do this sometimes God allows us to go through repetition repetition situations until we finally get them get them as like okay I got I got that view wow really I go I see what you're trying to tell me.

307

00:43:47.400 --> 00:43:49.080

George Moore: And then we go to the next level.

308

00:43:49.440 --> 00:43:58.440

George Moore: Support went through the parts and retiring last because as we're looking here we don't know that you know and Paul with you know we read the highlights of Paul.

309

00:43:59.100 --> 00:44:07.050

George Moore: But we don't see all the the valleys we don't see the mountains, we don't see the meantime as he climbed a mountain, he says, but I learned learning is a process.

310

00:44:07.500 --> 00:44:16.800

George Moore: That he learned through experience with Jesus Christ, that is, like wow you know, Lord you show me how to you know you know, had Greek preaching experiences that i've had all the ramayana tell.

311

00:44:17.160 --> 00:44:28.170

George Moore: You know i've had big crowds priests to I mean we had 30 folks but you know, in the process, he said I learned how did before

and i've learned how to be hungry both to bound and to suffer neat.

312

00:44:29.910 --> 00:44:36.120

George Moore: that's the part between the lands that's the part that you know between our sermons we get up on Sunday morning that people don't see us going through the week.

313

00:44:36.390 --> 00:44:45.330

George Moore: You know, we just got talking about we just got lad on, and you know yeah it's sad to hear it, then we started before people they think we know was a great message, but you don't see what I went through it.

314

00:44:46.230 --> 00:44:51.960

George Moore: So don't be don't see them they don't see what your password went through to bring that message you know they just see like pass I enjoyed it.

315

00:44:52.350 --> 00:45:03.900

George Moore: But he had to have an experience with God first that he learned how to be full and learn how to you know that preach out of his knee, and this is why of all he said I can do all things through Christ.

316

00:45:04.440 --> 00:45:05.880

Carrington Moore: hmm that's good.

317

00:45:06.780 --> 00:45:10.620

George Moore: In spite of everything he said he causes it says, I can do all things through Christ.

318

00:45:12.420 --> 00:45:20.550

George Moore: And so the final analysis, that they are things that God allows us to go through there's a fullness there's a blessing a minute sometimes there's a.

319

00:45:20.940 --> 00:45:29.040

George Moore: Part of that will go through this is maybe a drought, but the Lord is saying that you'll make, but the price is that we learned to be content, in other words.

320

00:45:30.240 --> 00:45:45.180

George Moore: The download water today but yeah i'm good I know lauren has the oasis you know there's always aces this where i'm headed toward it's gonna be all right, and so I think that there are some things that God allows us, because that requires patience.

321

00:45:46.200 --> 00:45:51.720

George Moore: And Paul spoke bunk bed in poker rooms, you know, like you know Trolls are not mix the stories.

322

00:45:52.260 --> 00:45:52.680

Carrington Moore: And the.

323

00:45:53.040 --> 00:46:00.780

George Moore: web developer experiences with me good balance our relationship alicia yours, the experience strengthens us as we go through.

324

00:46:01.260 --> 00:46:07.200

George Moore: And I believe that learned to be content is not something that you know we we came to Christ I got saved and i'm just content.

325

00:46:07.950 --> 00:46:21.390

George Moore: And you know i'm just happy nothing's wrong in my life, you know there's no no problems, but we got takes us through those things to build our experience that we can preach the Gospel that we can witness to others about his blessing upon life.

326

00:46:22.740 --> 00:46:34.230

Carrington Moore: as good as good as one funny story, I still think this was this is 2008 I will say the pastor's name so long story short, they asked my dad to come preach at the Church.

327

00:46:34.530 --> 00:46:39.510

Carrington Moore: And my dad was double booked this product may not because, like 20 because my first year Ministry.

328

00:46:40.080 --> 00:46:44.970

Carrington Moore: Still wasn't or day and I was just licensed so they sent me some excited so family.

329

00:46:45.450 --> 00:46:55.710

Carrington Moore: You know where you know from Jamaica plain the churches like say somewhere bolsters those about what's your like, but our way, maybe you know, so the little bit of gas money, and so there.

330

00:46:56.400 --> 00:47:05.820

Carrington Moore: was a church in a I think the church outside of camels so about a 45 minute drive I get there it's probably about 50 people there and preach the Church.

331

00:47:06.540 --> 00:47:11.970

Carrington Moore: Fire down from heaven he raised the offering and i'm thinking like i'm getting at least 100.

332

00:47:12.270 --> 00:47:22.680

Carrington Moore: It back in 2800 hundred dollars I don't know about you for college student was a lot of money, maybe it's not anymore, maybe it's not even more back in the day, that was a lot of money so literally.

333

00:47:23.550 --> 00:47:38.670

Carrington Moore: I could see them counting the offering i'm like Oh, I might get more than 100 family, and let me tell you they probably raised about \$250 you know you tell you i'm telling what these jokers gave me these jokers the gave me \$15.

334

00:47:40.140 --> 00:47:53.640

Carrington Moore: Literally I was never very erratic you ever somebody gives you something, and you got to keep a straight face, so he tried to be slinky put Navajo so I love love love love my kids submissive.

335

00:47:54.120 --> 00:48:08.370

Carrington Moore: So I looked at trying to be humble, thank you very much, I appreciate it we're glad to have you back again Minister more i'm when I never coming back here you're paying \$15 sermon fees or I came came home and told my dad.

336

00:48:09.600 --> 00:48:21.600

Carrington Moore: Your lower barriers for the past you're like oh man, but he's like every seems like character and sometimes it's gonna be like that, but nonetheless you got to keep preaching the gospel and i've never I never forget that moment.

337

00:48:22.890 --> 00:48:30.060

Carrington Moore: that it was a lesson there that no matter what I was going to get from what I did the lesson was, I still am called.

338

00:48:30.360 --> 00:48:41.040

Carrington Moore: to preach the Gospel In fact I want to bless you are real quick and that short story that there are moments, sometimes we take around here you pass more talk, sometimes we take misfortune personal.

339

00:48:42.630 --> 00:48:42.990

George Moore: story.

340

00:48:44.040 --> 00:48:49.200

Carrington Moore: You know, God bottles has got recently justin and just sometimes we take stuff personally i've seen.

341

00:48:49.500 --> 00:48:58.830

Carrington Moore: How y'all know a lot of my friends, last week I am i've been more saved in them for a long time they they some of them are newbies the Gospel i've been in the game i've been saved and I was like seven.

342

00:48:59.190 --> 00:49:06.690

Carrington Moore: RON like i've been more holy than anybody growing up, and I remember don't forget my friend, Dr Keller, he was here last week together to this prestigious program called.

343

00:49:07.440 --> 00:49:14.160

Carrington Moore: It was like a teaching program and how university, we were like 21 years old, he got it in 2008 our platform back in 2009.

344

00:49:14.490 --> 00:49:27.270

Carrington Moore: I was so excited that i'm racking home I brought the letter writing the opener what the wilsons dorm I was like yo bro I think I got into the open the letter together and say Carrington you've been declined.

345

00:49:28.320 --> 00:49:36.780

Carrington Moore: You didn't make it in the same fellowship my best friend applied for the following I didn't make it in, but I remember Wilson looking at me and saying kennington.

346

00:49:37.680 --> 00:49:44.520

Carrington Moore: don't take it personal doesn't mean that you're not fit doesn't mean that you're not worthy it just means that you weren't the right fit for this year.

347

00:49:44.820 --> 00:49:51.870

Carrington Moore: and film, I want to say to you again, sometimes we can take them as fortune are the things that we don't get my life personally.

348

00:49:52.230 --> 00:50:06.120

Carrington Moore: And I think sometimes when things don't go away here in this family sometimes things are way we take it personal begin to act out will begin to engage in a process that suggests that we're less than well as they want to say from past more than what you say, open up to questions.

349

00:50:07.620 --> 00:50:15.120

Carrington Moore: Which is, which is really, really important as we're thinking about being satisfied, you talked about Paul saying so i've learned right.

350

00:50:15.660 --> 00:50:23.880

Carrington Moore: i've learned almost to be content, and I want to say this last part is that we have to choose contentment it's not something that just happens inherently.

351

00:50:24.510 --> 00:50:40.830

Carrington Moore: It just doesn't happen naturally doesn't happen by osmosis literally the contentment first happens in your mind Paul talks about be happy not be conformed to this world but be transformed by the renewing of your mind family you got to choose contentment literally on a daily basis.

352

00:50:41.970 --> 00:50:51.360

Carrington Moore: Like literally it's not so Paul as we're talking to pastor more Paul is going through this gradual process i've literally disciplining himself right.

353

00:50:51.870 --> 00:51:04.380

Carrington Moore: mainly to be content so in the in the highest of highs he's content and the lowest valleys he's content so that's a good word and they finally and flipping is Chapter four ins that verse was saying, I can do all things.

354

00:51:04.800 --> 00:51:16.920

Carrington Moore: Through Christ who gives me strength, we have to choose to be satisfied, we have to choose to the content, this last part i'll say I got me pasmore your contentment it's not something that is external.

355

00:51:18.060 --> 00:51:23.340

Carrington Moore: it's not predicated on external stimuli will be predicated on the people around you.

356

00:51:24.450 --> 00:51:27.240

Carrington Moore: contentment and satisfaction that's internal.

357

00:51:28.350 --> 00:51:31.800

Carrington Moore: So thank you pastor more for that film will open up for questions that you have.

358

00:51:32.250 --> 00:51:41.730

Carrington Moore: To jail, you asked a question about raising children, we will come back to that, but if you have any questions about contentment question pastor more he'll give you some good game, but give you some some good.

359

00:51:42.120 --> 00:51:48.960

Carrington Moore: insight any questions before we move into prayer requests in the quest that you're my have about this particular subject.

360

00:51:52.710 --> 00:51:57.180

Carrington Moore: Any thoughts any comments you want to put in the chat you can go ahead and unmute yourself we'd love to hear from you.

361

00:51:58.410 --> 00:52:15.060

Carole Copeland Thomas: This is Carol very wise sage advice i'm sure with lots of stories that go with the wisdom that you've given us

tonight, so thank you so much for what you've shared with us, wherever and more what advice would you give those who have.

362

00:52:16.170 --> 00:52:23.370

Carole Copeland Thomas: been through trials and tribulations have struggled quite a bit, and then it begins to work on their.

363

00:52:24.150 --> 00:52:38.670

Carole Copeland Thomas: Self actualization or identity of themselves where they may not think they're good enough, because of the struggles that they've been through what kind of advice would you give individuals who are like that, who were in that predicament.

364

00:52:39.780 --> 00:52:56.340

George Moore: You know I that's a very good question because I think sometimes we look at what situations are sometimes it can be, whether it be financial reflection and we can ever to missing sometimes that beat ourselves up a preschooler sales, but one thing i've learned over time.

365

00:52:57.390 --> 00:53:07.020

George Moore: Is look at where God has brought me from because sometimes we look at we one thing, though, about the past is that you can see all the puzzle come together and you can think like well.

366

00:53:07.710 --> 00:53:15.810

George Moore: I got this far and sometimes you'll wonder how you did some things afflicted in my life like cancer and different things about health health issues, out of it.

367

00:53:16.530 --> 00:53:22.560

George Moore: But when I look at all the things that God has brought me from taking me through when I look at where I am some times now.

368

00:53:22.980 --> 00:53:35.850

George Moore: and put those things together, it does give me a matter of spirit of gratefulness and thankfulness and I think that means sometimes our lives, we can reflect it with things like things are very bad or things are you know, like.

369

00:53:37.290 --> 00:53:47.520

George Moore: Many times being filling for seeking loneliness but

realized that when we look upon the blessings of God, knowing that how things could be a lot worse some time to load and I get when i'm alone.

370

00:53:48.180 --> 00:53:52.680

George Moore: And I reflect on my life, and I think bus some things I want to do, and things I haven't been able to achieve.

371

00:53:53.280 --> 00:53:58.410

George Moore: And that's when the Lord, and he will speak to me and say like well look at when you're in this situation.

372

00:53:59.160 --> 00:54:08.220

George Moore: And then i'll pick like or sometimes you just send somebody they'll say like you know one more year you know past them where you know you seem like you're really doing well you're doing less.

373

00:54:08.610 --> 00:54:13.320

George Moore: And the Lord is sometimes snapped me out of it seemed like I need to hear that because we're getting our lower state.

374

00:54:13.980 --> 00:54:22.230

George Moore: Your voice, there are two boys, they will speak to us the voice of the enemy, they will make us feel negative and the voice of the Lord there was some time, let us know you have a lot to be thankful for.

375

00:54:22.800 --> 00:54:35.010

George Moore: And I would have to say this afflictions and sickness despair loneliness and I think every pastor every minister goes to that part it can be in a crowd and you can feel like my ministry is not where I want to be.

376

00:54:35.520 --> 00:54:43.290

George Moore: But the Lord many towns well, let me reflect and say well look, who has came through that you preached a message or your life has been changed transform.

377

00:54:43.800 --> 00:54:49.230

George Moore: Those things in towns bring you out and think okay don't forget the things that blessed that God has already done.

378

00:54:49.800 --> 00:54:56.460

George Moore: don't forget the things that many times, the place that you are now that it can be much worse or sometimes he wouldn't let me see a situation where.

379

00:54:56.760 --> 00:55:03.000

George Moore: That he'll let me know it's like look at that person you're much more blessed because you could be flat of your back.

380

00:55:03.420 --> 00:55:16.200

George Moore: Or you can be going to still have a good film you're loving children, you have a lot be playing before so those things, many times, bring me back to myself and that place it brings it back to my place of contentment and I guess that's where I go back to say goodbye learning.

381

00:55:17.340 --> 00:55:21.780

George Moore: Trust me when I say this i've had a little whole lot about content in these last few years.

382

00:55:22.620 --> 00:55:24.750

George Moore: hmm hope that answers the question.

383

00:55:24.990 --> 00:55:28.170

Carole Copeland Thomas: It does, thank you, thank you, if I could just ask just a.

384

00:55:30.630 --> 00:55:37.380

Carole Copeland Thomas: Question on top of what i've just asked in light of what we're seeing in buffalo in particular.

385

00:55:38.520 --> 00:55:49.530

Carole Copeland Thomas: How can we be encouraged, when we know there is so much darkness around us and the enemy can be an 18 year old, who can wipe out.

386

00:55:50.460 --> 00:56:03.390

Carole Copeland Thomas: 10 people who were innocently shopping at a grocery store in buffalo New York and many of them preparing for church for the next day, and one of them had gone to a prayer service

that morning.

387

00:56:03.810 --> 00:56:16.770

Carole Copeland Thomas: As she is preparing for her food pantry so just you know how do we absorb so much darkness that's around us that can harm us afflict us violate us and in our lives.

388

00:56:20.130 --> 00:56:21.750

George Moore: That is a big question.

389

00:56:25.470 --> 00:56:26.730

George Moore: That you want to take that first.

390

00:56:28.650 --> 00:56:30.810

Carrington Moore: yeah I want to say, this is a great question so.

391

00:56:30.840 --> 00:56:31.950

George Moore: That is a great question.

392

00:56:32.130 --> 00:56:34.020

Carrington Moore: yeah I want to, first I want to.

393

00:56:35.130 --> 00:56:43.560

Carrington Moore: Go back to pastor pastor Gloria had a great series I don't know if it was last year before coast, I really don't remember, but it was talking about.

394

00:56:44.130 --> 00:56:56.850

Carrington Moore: How do we frame it man, it was like it was something around practicing gratitude, it was like real catchy though so i'm messing it up, but it was a you're going to talk about Okay, I was i'm not alone, we did about a month.

395

00:56:57.930 --> 00:57:04.770

Carrington Moore: of teaching and preaching about that about how you have to practice gratitude, so that will pass some more saying an extra reminded me of that.

396

00:57:05.100 --> 00:57:20.340

Carrington Moore: About in our life, we have to literally

intentionally kind of practice gratitude and again again contentment is not something that happens, by osmosis is literally, you have to choose it like Paul teaches us, you have to choose a few questions to Carol.

397

00:57:22.140 --> 00:57:24.330

Carrington Moore: i'm not sure if I have an answer for that question.

398

00:57:25.380 --> 00:57:34.680

Carrington Moore: But I think this is where I think the Gospel I think as to relate to ideas of liberation and justice, I think there's a.

399

00:57:37.080 --> 00:57:37.470

Carrington Moore: one.

400

00:57:39.780 --> 00:57:44.010

Carrington Moore: I think one support for us in this moment before we move towards.

401

00:57:45.270 --> 00:57:54.840

Carrington Moore: Having profound or deep articulate answers that we we mourn with the folks who have been murdered in cold blood.

402

00:57:56.250 --> 00:57:58.110

Carrington Moore: I think that we.

403

00:58:02.640 --> 00:58:10.560

Carrington Moore: yeah I think that's my answer I think it's important for us to more I think at this moment I think sometimes we want to move very quickly.

404

00:58:10.860 --> 00:58:19.680

Carrington Moore: To, how do we rectify and fix things but actually think the fixing of the problem, I think, often the rest and our ability to mourn and degree, and I think so so.

405

00:58:20.100 --> 00:58:32.640

Carrington Moore: oftentimes it's actually easier to move towards a solution or move towards a rallying cry or move towards top of organizing or protest, which is extremely important, but I think sometimes when we sit.

406

00:58:33.420 --> 00:58:46.860

Carrington Moore: I think in in the space of grief or a prophetic reefer prophetic morning, I think, God kind of allows us to conspire what can be done and what liberation, I think, look can look like.

407

00:58:48.540 --> 00:58:55.380

Carrington Moore: I am going to be honest with you when I heard about what happened, I probably listen to about two or three hours of commentary, the next day.

408

00:58:55.680 --> 00:59:03.330

Carrington Moore: And I actually had to tune it out for a little bit because it was so overwhelming to know that 10 of our brothers and sisters who are highly elevated.

409

00:59:03.690 --> 00:59:14.130

Carrington Moore: Beautiful people were literally walked off the face of the earth very critical because of a deep prejudice because of deeply trip and deep racism, I actually don't have any.

410

00:59:14.910 --> 00:59:22.590

Carrington Moore: answers I think for that, but I would I would it does say that our communities, particularly black communities still extremely vulnerable.

411

00:59:24.450 --> 00:59:30.570

Carrington Moore: And I think we have to have deep conversations about that that our communities are vulnerable, I think, in many ways.

412

00:59:31.830 --> 00:59:43.560

Carrington Moore: And we're we're we're yeah i'll stop there i'll anybody else jump into it, this is, this is a difficult question, I still have a lot of thoughts, but we'll go to pass them more and you ought to pitch your thoughts in the chat.

413

00:59:45.150 --> 00:59:48.690

Carrington Moore: yeah well, thank you for that question I don't have an answer to.

414

00:59:51.000 --> 00:59:57.270

George Moore: I, I want to be very careful as how I answer this because I don't want to sound.

415

00:59:58.350 --> 01:00:07.050

George Moore: cavalier it just the only mistake like God, so he said i'll be as respond The thing is, as ministers and we say, well, God will make away.

416

01:00:08.370 --> 01:00:12.090

George Moore: And I will be careful not to leave that because everything we see in the.

417

01:00:13.260 --> 01:00:22.230

George Moore: In the census, as Minister of the law that says special relieving people, we want to make sure that we're giving the advice, they got we give wants to give.

418

01:00:23.400 --> 01:00:26.550

George Moore: What are correct was hideous what occurred certainly.

419

01:00:28.950 --> 01:00:34.110

George Moore: is unbelievable how much hatred and bitterness can be in the hearts of men.

420

01:00:35.460 --> 01:00:41.670

George Moore: But there's one scripture that says be not overcome of evil with evil, but overcome evil with good.

421

01:00:43.140 --> 01:00:56.820

George Moore: As children of God, I was saying, is, I believe, about the last night, you know some things we can't feel like we can prevent it with a glock in because our country is soaked with weapons, I mean everybody.

422

01:00:58.260 --> 01:01:08.940

George Moore: we're just saturated with represent, I think we look to them for safety and it's not working it's not working it's it's been just opposite working with the women problem most crime ridden.

423

01:01:09.300 --> 01:01:29.520

George Moore: Violent society on this earth is more guns to every

person every person is this we're overran just over we're over armed and to the point, whereas nobody seems to feel like we need to somewhat took away some bombs away and as strict laws, but as a means of the child of God.

424

01:01:30.570 --> 01:01:38.670

George Moore: It does mean that we can allow allow hatred and I know Lord knows, we have to pray for ourselves because it's very easy to feel like.

425

01:01:39.150 --> 01:01:46.890

George Moore: i'm not gonna take that and i'm going to arm myself and if anybody, you know, does this to me i'm going to but we're going to find we're still.

426

01:01:47.400 --> 01:01:59.580

George Moore: Not only ourselves, but others are going to lose you just can't fight evil with evil it doesn't work we're seeing that in Ukraine is just wars and fighting and killing one another, it just doesn't work.

427

01:02:01.560 --> 01:02:09.060

George Moore: But I believe in following the same scriptures that we have to we're going to certainly state before God is as people got individually.

428

01:02:09.750 --> 01:02:17.550

George Moore: And I will send them like this morning, so you'd be careful because i'm looking for you know, to have a try things or just be belligerent.

429

01:02:18.060 --> 01:02:26.730

George Moore: And that the day that we're living in I think we have to be Washington prayer from that and that's that's I can't say anything else to to add to that, but the being.

430

01:02:27.600 --> 01:02:32.790

George Moore: Asking God to pick family, you know, protect my children protect my my daughter's even though they're not around.

431

01:02:33.420 --> 01:02:40.950

George Moore: But my so I asked that God has graced some feedback, so

I pray for them every day to go will keep my grandchildren the product family members and.

432

01:02:41.550 --> 01:02:53.280

George Moore: I believe that trusted God by faith that he will do just that, and if not, as the men were about to be thrown the furnace If not, I believe that God has a will a perfect real certain that.

433

01:02:55.050 --> 01:03:02.430

George Moore: there's a reason why, but that was very tragic was very tedious and the thing about it is the sad part about it.

434

01:03:03.210 --> 01:03:17.940

George Moore: they're probably been about 202 mass killings in the United States, this thus far this year and in the end the year still young and it doesn't seem like that that sort of thing is going to be a beta or stop laws are not restrictive enough.

435

01:03:19.230 --> 01:03:31.920

George Moore: This parties that don't seem to be concerned about restricting that sort of thing and it's just open season for not just for blacks but people in general be displayed in the streets, and that in itself.

436

01:03:33.090 --> 01:03:41.400

George Moore: I say that as people of God, I still have staff i've always go back to scripture where was the second chronicles 714 Robbie were called by my name.

437

01:03:41.790 --> 01:03:45.660

George Moore: Will humble themselves and pray we have and sincerely pray, in other words, get going before God.

438

01:03:46.170 --> 01:04:02.010

George Moore: And being the source of their being the people that have got that certainly be a seasoning for this world and to speak out and where we can to be involved in our communities and speaking out, whether it be marching or speaking out against it because something has to change and, if not.

439

01:04:03.210 --> 01:04:08.760

George Moore: there's got to be more of it, but I think there's an

involved with that people go now just praying but also be involved in our communities.

440

01:04:09.150 --> 01:04:22.530

George Moore: Anything but in action and speaking out and what the politicians like letting them know there's a lot of lot of things that are things we can't we can't do a lot of things, some things we can do, and our voices to be heard now in heaven on earth also.

441

01:04:23.340 --> 01:04:30.030

Carrington Moore: A man that's a good word we want to go so Joyce real quick the Jewish frequently get your hand up and then we'll try to just double day.

442

01:04:32.370 --> 01:04:38.100

Joyce Marshall: i'm thinking it might have been a mistake for me to put my hand up right now, because I wasn't trying to attempt to answer this question.

443

01:04:41.280 --> 01:04:49.080

Joyce Marshall: I was kind of back with just about being content and i've been listening to a series on Joseph.

444

01:04:49.740 --> 01:04:52.770

Joyce Marshall: And when you think about all the things that Joseph went through.

445

01:04:52.800 --> 01:05:01.200

Joyce Marshall: At the time they were horrible I mean he didn't know that he didn't I think it What was it like 17 years went by from.

446

01:05:01.560 --> 01:05:21.930

Joyce Marshall: Something like that, when he was first sold into slavery till he became the second in command in Egypt and he didn't know any of that time until the until the end what was going to happen to him, but God knew and got but but i'm just I just was thinking about if it were me and.

447

01:05:22.320 --> 01:05:24.570

Joyce Marshall: All other things happening to him being sold into.

448

01:05:24.570 --> 01:05:28.560

Joyce Marshall: slavery and then being put in prison and being forgotten in prison.

449

01:05:31.440 --> 01:05:38.910

Joyce Marshall: He had to live through all those years of going through that in order to then see at the end that you know it.

450

01:05:40.410 --> 01:05:51.240

Joyce Marshall: put him in the position that he was in and I guess i'm just thinking that sometimes, for us, we might not be content with what's going on, but we don't we don't necessarily know that.

451

01:05:52.440 --> 01:05:56.400

Joyce Marshall: You might be put somewhere that you're not happy with, because you need to.

452

01:05:56.580 --> 01:05:57.630

Joyce Marshall: learn something or there's.

453

01:05:57.630 --> 01:06:02.940

Joyce Marshall: something you need to figure out in order to be used lead around.

454

01:06:04.020 --> 01:06:08.100

Joyce Marshall: My God and you wouldn't know that when it's happening to you.

455

01:06:09.570 --> 01:06:21.840

Carrington Moore: that's it that's a great point I think rejoice, and I think I think reminds us that sometimes sometimes God can allow things to work out, and as far as good we don't realize until years later.

456

01:06:22.800 --> 01:06:28.620

Carrington Moore: The syntax guy could see it was literally from relationships from people from opportunities and the moment it feels hard.

457

01:06:28.950 --> 01:06:40.110

Carrington Moore: And most difficult and the moment is hard to accept

to be contented satisfied with the outcome, but then you look back to the news lately by Lloyd whoo that you, you you spirit me with that one.

458

01:06:41.280 --> 01:06:48.570

Carrington Moore: Times God will close doors that need to be closed in mind, for God will cut off relationships that don't need to persist any longer.

459

01:06:48.810 --> 01:06:58.410

Carrington Moore: And you'll look back can always see them the moment but you'll look back you know, thank God, the last attitude person choices practicing this discipline, even in the trial what I love about.

460

01:06:59.460 --> 01:07:03.480

Carrington Moore: About Joseph I think was was the power for his wife, who was tempting.

461

01:07:03.960 --> 01:07:07.860

Carrington Moore: to him, and you know he could have he could return a difficult situation.

462

01:07:08.160 --> 01:07:18.870

Carrington Moore: I took a moment of pleasure, because we talked about creature cravings right, but sometimes we're not satisfied in there, so it can act itself out the present an opportunity to sell fire, so the flesh.

463

01:07:19.110 --> 01:07:33.360

Carrington Moore: And that's the rituals plus right right just doesn't do that, even when he is ridiculed or accused of something he doesn't do that he he still stays persistent of God let's go to the devil day and we have to have a subdomain.

464

01:07:35.400 --> 01:07:43.290

Marie Doubleday: Reverend moon was Thank you very much and and and and and Mr Reverend George more very much welcome.

465

01:07:44.100 --> 01:08:05.160

Marie Doubleday: um you know once again we're shocked, you know it brought back memories of what happened in charleston South Carolina

and at that point, I was recovering from back surgery, and I walked into arm actually that physical therapy in tears Okay, but moving forward.

466

01:08:06.720 --> 01:08:19.680

Marie Doubleday: Even though I you know grew up in malden which is smack outside of Boston I live in oak bluffs and and as folks know it's a national African American resort community.

467

01:08:20.790 --> 01:08:34.230

Marie Doubleday: And I began to think of the markets in dorchester you know the grocery stores in dorchester matter pn roxbury rossendale West medford malden randolph etc.

468

01:08:34.680 --> 01:08:38.010

Marie Doubleday: OK, and then came down to oak bluffs and we have.

469

01:08:38.640 --> 01:08:54.210

Marie Doubleday: A family market that is extremely well go on reliable on Facebook you'll see nothing but love for that market, and I speak about a lot of folks here know what i'm talking about and it came to my you know.

470

01:08:54.900 --> 01:09:07.020

Marie Doubleday: It can hit in Boston absolutely it can hear no bluffs and I could be what I say you let it stay here we can be a target.

471

01:09:07.710 --> 01:09:24.570

Marie Doubleday: Definitely, then so go on from from from your sons of breathing, how do you go into action, I went down to the market today to pick up something and the the owner of real humble.

472

01:09:26.070 --> 01:09:33.390

Marie Doubleday: which gives American guy very much love very much love and he's a butcher is known as the best butcher on the island.

473

01:09:34.500 --> 01:09:39.990

Marie Doubleday: And I had been thinking you know, maybe have a conversation with them, I know the police chief.

474

01:09:40.680 --> 01:09:50.160

Marie Doubleday: White guy that used to be the President of the N
double a CP my son hours okay i'm not bragging or anything like that I
have no problems chasing him down.

475

01:09:51.000 --> 01:10:01.320

Marie Doubleday: Okay, the problem is when i've said it a little bit
to some people they're like that can't happen yeah but you know what
it could.

476

01:10:02.010 --> 01:10:14.310

Marie Doubleday: It can happen up in Boston so when we get into
Community action, you know how how, how do you move forward, this is
not i'm not demeaning Texas, but Texas Am I correct.

477

01:10:14.730 --> 01:10:28.920

Marie Doubleday: You can have a gun on you in a public place legally
in Massachusetts you can have a visible gun on you, you know if you
walk into a grocery store with the huge rifle there's a problem.

478

01:10:30.150 --> 01:10:34.590

Marie Doubleday: Okay, but you don't need it, but it could happen and.

479

01:10:36.210 --> 01:10:53.760

Marie Doubleday: How how what what, how do we form in our various
neighborhoods you know cuz we're talking family with reliable with
people that come in during the summer is same thing up the Boston all
right thoughts.

480

01:10:55.470 --> 01:10:57.750

Marie Doubleday: Because it's getting crazy it's crazy out there.

481

01:10:59.070 --> 01:11:05.850

Marie Doubleday: And people think the vineyard is this wonderful
liberal island well no there's a different backbone to it.

482

01:11:06.900 --> 01:11:15.330

Marie Doubleday: And i'm not saying it's a horrible place, but there
is there are people that I mean there's a fellow donny and beverly
knows what i'm talking about.

483

01:11:15.750 --> 01:11:29.220

Marie Doubleday: Who actually took his roof and i'm not trying to be horrible whatever political, but he actually put trump on the roof of his garage he will you will just you know that's a statement here.

484

01:11:30.690 --> 01:11:33.120

Marie Doubleday: I don't know i'd be interested in your thoughts.

485

01:11:34.410 --> 01:11:43.830

Carrington Moore: towards the double day for what she shared, thank you for folks are put in the chat or they go to a couple more questions or thoughts or comments to beverly I see your hand is up you go out and eat yourself.

486

01:11:45.030 --> 01:11:45.780

Beverly Williams: um hi.

487

01:11:47.820 --> 01:11:51.570

Beverly Williams: I had a 17 year old nephew who was killed by.

488

01:11:53.370 --> 01:11:54.720

Beverly Williams: You know gun violence.

489

01:11:57.690 --> 01:12:01.350

Beverly Williams: In what struck me at that time you know, like.

490

01:12:03.420 --> 01:12:10.680

Beverly Williams: Carrington, as you said, sit and learn how to grieve and tomorrow, first, and I did.

491

01:12:11.790 --> 01:12:17.400

Beverly Williams: But I also learned to grieve and mourn for that lost souls that did the shooting.

492

01:12:18.330 --> 01:12:25.920

Beverly Williams: And many times we set and We grieve the people who look like us, who act like us living communities, I got us.

493

01:12:26.550 --> 01:12:35.730

Beverly Williams: But these other people also lost those the other loss lives and I don't think in, and I said earlier in the chat it's

not a popular opinion.

494

01:12:36.300 --> 01:12:55.950

Beverly Williams: But I think that we also need to learn to mind for the lost souls, and we need to be prayerful and garvey mind us, you know we're in a spiritual warfare and we can get so caught up and taking it personal and being angry and moving too fast, you know for action.

495

01:12:57.660 --> 01:12:59.040

Beverly Williams: But I think that.

496

01:13:00.300 --> 01:13:13.410

Beverly Williams: A lot of times we only leave sincere prayer out for those persons I wanted that person to be invested, but not so much invested by the authorities, I wanted his heart to be invested by God.

497

01:13:14.100 --> 01:13:33.960

Beverly Williams: And I did say God, I would like to know that you have invested his heart and he turned himself over to you, but I may never know that, but my content had to come in the fact that I took that petition to God and said, you are the one that I want to address the soul.

498

01:13:35.220 --> 01:13:53.280

Beverly Williams: Because if I did not pray for him and only prayed for my nephew my nephew so it was at peace, I believe he went to happen, then that he you know he's been peaceful vast in the line, but this other person is walking around and it's like Islam last soap and I just wanted to share that.

499

01:13:55.170 --> 01:13:59.220

Carrington Moore: Man Thank you so much sister barely for a sign of this powerful.

500

01:14:00.690 --> 01:14:02.250

Carrington Moore: fabulous you all in the chat.

501

01:14:03.270 --> 01:14:05.550

Carrington Moore: i'm a Passover for to pass them more.

502

01:14:06.720 --> 01:14:16.770

Carrington Moore: Followers they wants to share, we want to pass the time yeah and then pastor Gloria for our final word and we'll move into prayer so at this point, your family going to pitch your prayer requests in the chat.

503

01:14:17.580 --> 01:14:24.720

Carrington Moore: Go ahead and put in the chat now we're going to pray over the prayer requests the past more I want to thank you, Dan for being with us good hanging out with you.

504

01:14:25.140 --> 01:14:34.530

Carrington Moore: i'll give you a call after this and i'll talk to more so, my father is a just a great man, full of wisdom hope that you all go to a soccer ball, that it was sharing.

505

01:14:34.890 --> 01:14:43.230

Carrington Moore: That was steeped in wisdom and righteousness and what we're called to do, and I think I think pasmore shared some hard truths, one of the truths of still wrestling with.

506

01:14:43.650 --> 01:14:49.800

Carrington Moore: Is that contentment satisfaction satisfaction is something again that is learned that we have to choose that.

507

01:14:50.220 --> 01:14:57.030

Carrington Moore: On a daily basis, but we learn to discipline ourselves that Paul says, I beat myself up beat my body daily learn to.

508

01:14:57.510 --> 01:15:11.460

Carrington Moore: subject ourselves to our emotions are our flesh, or do we want to do that, we learned subject ourselves the will and the love of God to loving ourselves better outcomes and our last one learn to be content that the key to a purpose driven life.

509

01:15:12.660 --> 01:15:25.800

Carrington Moore: into living a life on purpose if you're not content is satisfied within your own self you will always be chasing for something that you will never fly faster, more you go ahead and share your final word, sir.

510

01:15:26.700 --> 01:15:31.620

George Moore: me and I just want to say i'm thankful to be with you it's been an honor to be with.

511

01:15:32.670 --> 01:15:40.950

George Moore: This account in in two with the congregation to the pastors I sincerely enjoyed myself, and it was a blessing very enlightening experience.

512

01:15:41.280 --> 01:15:55.530

George Moore: How they've been blessed by the words that we share tonight, and so, as I prayed before on the lower give us something that week by say as Jesus as a road but Christ in Isaiah chapter 50 that was we could speak a word and do season to him that is weary and.

513

01:15:56.730 --> 01:16:00.600

George Moore: sorting the Gospel Jesus Christ is the greatest message is the greatest power on earth.

514

01:16:01.380 --> 01:16:16.800

George Moore: And we're just glad to always share the Gospel paying off your ministry our prayers are with you and congregation with pastors and lovely Carrington and praying for you hope to see you soon, and once they would be encouraged and just continue trusting the Lord.

515

01:16:18.090 --> 01:16:23.820

Carrington Moore: amen if I want to share, I think this has to do with content regarding the passage of time, the pastor glow.

516

01:16:24.450 --> 01:16:36.600

Carrington Moore: think that we know what the scriptures I just know because you call all the time and Isaiah he says a lot of my guy will help me they're shutting that she'll be I should not be confounded hit my face like a flint I shall not be ashamed what what what scriptures that.

517

01:16:37.170 --> 01:16:38.190

George Moore: As a 15 so.

518

01:16:38.790 --> 01:16:44.760

Carrington Moore: As a 15 seven me of time going to read that I think

that speaks to ideas yeah i've been.

519

01:16:45.360 --> 01:16:47.670

Carrington Moore: In some as if the incentive.

520

01:16:48.210 --> 01:16:53.490

Carrington Moore: incentive amen mass i'm talking about past tiny words a little bit of cash flow.

521

01:16:56.190 --> 01:17:01.560

Tanya Miller: First, a rubber more senior senior i'm just saying senior because karen's and see I.

522

01:17:02.850 --> 01:17:04.290

Tanya Miller: just thank you for.

523

01:17:05.850 --> 01:17:12.240

Tanya Miller: For your time with us tonight, thank you for your ministry to your son, he has been an awesome.

524

01:17:13.920 --> 01:17:31.500

Tanya Miller: An awesome addition to our Community I can't tell you enough how much he has blessed us all, we know that that is a product of his great relationship with you and his family, which he speaks highly of so just thank you for that for loaning him to us in this season.

525

01:17:33.210 --> 01:17:39.240

Tanya Miller: And I you know I did hop on a little late tonight I had to do something earlier.

526

01:17:40.680 --> 01:17:47.640

Tanya Miller: really love the idea that we're spending some time with contentment, a lot has gone through my mind tonight.

527

01:17:48.390 --> 01:17:55.260

Tanya Miller: And I just want to connect it to the last thing that I think sister beverly said, there was a season in my life, where.

528

01:17:55.590 --> 01:18:11.370

Tanya Miller: I encountered someone who's really hurtful to me and my community and I almost saw this person as an enemy I would actually I saw this person is the enemy that's fully what what I thought of in the moment but to sister Beverly his point.

529

01:18:12.570 --> 01:18:20.970

Tanya Miller: prayer is where I learned to to grab Ahold of contentment to be able to be in the same space with that person who I saw.

530

01:18:21.420 --> 01:18:35.730

Tanya Miller: As my enemy, who hurt me who hurt others the way that I was able to grab Ahold of contentment because I couldn't move that person out of the situation, nor could i'm out situation was to give that all to the Lord in prayer.

531

01:18:36.540 --> 01:18:49.740

Tanya Miller: So it kind of reminds me also remember more about what you said about learning right you don't learn those things until you're in those uncomfortable situations of that, so thank you guys for bringing that out tonight.

532

01:18:51.270 --> 01:18:57.570

Carrington Moore: yeah Thank you so much pastor tire pastor Gloria if you want to have the final word that will move into prayer requests.

535

01:19:19.230 --> 01:19:35.790

Gloria White-Hammond: And just really the process of maturity and there's there's no shortcut to maturity you got to go through a few things with a couple of minutes get beat up sometimes and and you, you stay faithful and you end up.

536

01:19:36.870 --> 01:19:56.490
